gge have been few.

One of my breeders weighed 8 1-2 lbs-, do our best to deserve it.

without stones have been produced in France, it is said, by the following method: In the spring, before the circulation of the sap, a young seedling cherry tree is split from the upper extremity down to the fork of its roots : then, by means of a piece of wood in the form of a spatula, the pith is carefully removed from the tree, in such a manner as to avoid any excoriations or other injury; a knife is used only for commencing the split. Afterwards two sections are brought together, and ned with woolen, care being taken to close hermetically with clay the whole length of the cleft. The sap soon re-unites two years afterwards, cherries are produced of the usual appearance, but instead of sienes, there will only be small

met with a friend who has lad as much present political parties may very well as any man in the United States. I asked demonstrated that the principal difference, him how much themselves seed to sow upon as well as the difference in principle, behim how much throughy seed to sow upon as well as the difference in principle, bean acre. He movied that he sawed one- tween them, is the "five loaves and two \$2 per ton more in Cincinnati marke , as patriotic appeals, from disinterested office it would be five and soft for the tack, hunters, to come forward and save this When an eighth to one-fourth of a bushel "glorious Republic," before it is irredeemis sown, the hay is course and hard, and ably ruined by Whig-isms, or Locofoco not so good for stock. He cuts from misrule. We are opposed to all dema-200 to 300 tons of hay per year, which is gogoism, and it is high time that every

LARGE SHEEP AND A LITTLE COW .-We cut the following from the Ohio Farmer : A sheep girting nine feet, and covered with wool of the finest texture, 35 inches long, and growing in natural rolls, ready for spinning, of which rolls, there afe 3000 of which have been sent to the World's Fair from Erie county, Pa. Also a lamb three years old with wool 30 inches in length, and growing in the same peculiar way. And if the readers doubts these curiosities, what will he think of a cow, only 30 inches high, weighing 229 pounds, and the mother of three calves, one of which was by her side and giving milk, though only thirteen months old!

CURENT WINE-Break the currents hours without stirring ; skim and set in a ever be found in its pages. cool place to ferment slowly. Let it rebe fit for use in six months, and improve

Black current wine is also excellent in cases of sickness, such as for disease of the bowels. It is made in the same way as he red current wine, by the last re-

TO PRESERVE EGGS FOR ONE YEAR. -One pint quick lime, one pint salt to three gallons water; no care is needed in putting in the eggs, as they will be right end up, and will settle just below the surace, if proportioned right.

DR. TOWNSEND'S

SARSAPARILLA

Great Spring and Sammer Medicine. WONDER AND BLESSING OF THE AGE. Phis Extract is put up in Quart Bottles; it is six times chaper, pleasanter, and varranted seperior to ary sold. At cures disease without remaining pury ing, sichening or debilitating the Patient.

The great beauty and superiority of this Surespar wer all other medicions is, while it cradiestes disease avigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES

Ever known; it not only parifies the whole system and strengtheus the person, but is creates new pure and rich blood: a power presensed by no other medicine. And in fits lies the grand secret of its wonderful secret. It has performed within the last five years, more than 100,000 curso of severe cases of diseases; at least 15,000 were considered incurnise. It has saved the bres of more than 5,000 children the two past reasons.

10,000 cases of General Debilliy and want of Nervous Energy.

Dr. Townsend's Savaparilla invigorates the whole system permanently. To these who have bot their muscular mergy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and be eggit on by a physical prostraine of the nervous system, lassitude, sout of ambition, fainting sensitors, premisters deany sensitories, hastered towards that fairly discrete, Caramapaine can be entirely restored by this pleasant remedy. This Savaparilla is far superior to any

As it renews and invigorates the system, gives activity to the limb, and strength to the mucular system, in a most extraordinary degree.

Spitting Blood. Spitting Blood.

New York April 23, 1847.

Dr. Townsend.—I verity believe your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a had Cough, it became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant.

WM RUSSELL, 65 Catharine st.

Female Medicine. Female Medicare.

Dr. Townsend's Sarsaparilla is a sourceion and speedy cure for incipient Consumption Barronss. Prolapsus Uteri or Faling of the Woods Conference, Piles, Leucorchez, or Whites, obstructed or difficult Meastruction, Lecentius under of Urine, or involuntary discharge the sed and for the general prostration of the system—no matter scheme.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should assign to take it, as it is a certain preventive for any of the numerous and horrible discusses to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it has valuable for those was not approaching womanhood, as it is cal-

natural energies, by removing the impurities of the body not so far stimulating as to produce subsequent relaxation which is the case of most medicines taken for this de Weak

Great blessing to Mothers & Children. It is the raffest and most effectual medicine for pur-fying the system, and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the Certificate of Mr. B. O. Woods, into Justice of the Peace it is indispensable. It is highly useful both before and after confinement, as it provents discusses attendant upon childbirth—in Co-tiveness. Piles Cramps. Swelling of the

Mr. Benj. Page, Jr.; Dear Sir.—My sincere thanks are due the friend recommending your Holland Bitters. Having an ferred for some time with bloadache, test of appetite, mental depression, and in fact, general disorder of the system, I now feel, after using but one bottle, conscious of returning health.

NICOLOUS SCHOSTEE.

Benj. Page Jr.—Dear Sir.—I have been relieved of the most distressing pain of dyspeps in by the use of Booch have's Holland Bitters, (purchased of you) after suffering for the ree years with headache, nausea and general debility, attending indigetion; I now feel perfectly restored.

Yours respectfully,
Sold by the proprietor, BENJ. PAGE, It.
Drug and Chemical House, cor. Third and Smithfield, and

a rich bloom to the chocks, and a britancy to their eyes that is fascinating.

This is why the southern, and especially the Spanish adica, are so much admired. Ladies in the north who take but little exercise or are confined in close rooms, or have spoiled their complexion by the application of deleterious mixtures, if they wish to regain clasticity of step, buoyant spirits, sparkling eyes and beautiful complexions they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it are more than satisfied, are delighted. Ladies of every station crowd our office daily.

Those that imitate Dr. Townsend's Sarsaparilla, have invariably called their stuff a great Remedy for Females, &c., &c., and have cupied our bulls and circulars which relates to the complaints of women, word for word—other men who put up medicine, have, since the great success of Pr. Townsend's Sarsaparilla in complaints incident to females, recommended theirs although previously they di not. A number of these mixtures, Pills, &c., are inju-1,00 rious to foundes, as they augravate disease, and undermine the constitution. Dr. Townsend's is the only and best remedy for the numberous female complaints—it arely, if ever fails of effecting a permanent cure. It can be taken by the most delicate females, in any case, 15.00 can be taken by the most delicate femnios, in any case, or by those expecting to become mothers, with the greatest normanages, as it prepares the system and prevents pain or danger, and strengthens both mother

Scrofuln Cured. This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the Blood. Three persons careal in one house is unprecedented.

Three Children.

Dr. Townsend—Dear Str: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were utilized very several with had sorre; have taken four intries, it took there are you which I feel mysel.

ISAAC W. GRAIN, 106 Wooster at.

Opinions of Physicians. Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union. This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparrilla, and believe it to be one of the most valuable creamertings in the market. the most valuable preparations in the market. H. P. PULING, M. D.

CAUTION. Owing to the great success and immense sale of Dr Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts. Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shaped bottles, and some of them have stolen and copied our advertisements, they are only worthless imitations, and should be avoided.
